RE: Laurens Commission of Public Works
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Laurens Commission of Public Works is required to notify the Public Service Commission ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more, or that exceed 25,000 feet in length (See 26 S.C. Code Ann. Reg. 103-412.2.7 A). In compliance with the regulation, this letter serves as notification to the Commission that The Laurens Commission of Public Works plans to install new pipeline which is the replacement of old steel pipe in the Watts Mill area located on Hwy. 221 North, Laurens, S.C. 29360.

The Laurens Commission of Public Works anticipates that construction of the natural gas pipeline will begin October 4, 2013. The Company anticipates that the total cost of this construction project will exceed \$1,000,000.00. By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of the Company's construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Brent Moody
Superintendent/Natural Gas
